

## Rain X Pro Ceramic Range

### Rain-X® Waterless 2in1 Car

**Wash & Rain Repellent** is an easy solution that cleans and protects cars.

This spray-on, wipe-off car wash has been designed to clean your car while giving it a protective Ceramic shield coating.

Not only will your vehicle shine, but water will also bead up and roll away.

The highly lubricated formula makes cleaning and protecting easy. Safe for all exterior surfaces - highly lubricated, scratch-free formula-

No water is needed.

**Save on your water bill and wash your car anywhere and at any time.**

- Premium quality Ceramic HydroShield Polymer Blend formula with Si-O Technology. UV protection. User-friendly.
- Cleaning agents capturing dirt and delivering a streak-free and non-abrasive clean Shine (extra lubricity)
- No water is needed, and it is great for touch-ups or on-the-go detailing.
- Highly lubricated, scratch-free formula
- Easy to use and fast results

**Step 1:** Generously spray the product in one section at the time

**Step 2:** Rub the product evenly over the surface in a circular motion using a dry, clean microfiber towel

**Step 3:** With a different, clean, dry microfiber towel dry the surface

**Step 4:** Repeat the process until the vehicle is complete and all the sections are uniform
