

RX PLASTIC RESTORER 500 ml

DESCRIPTION

Rain-X Plastic Restorer renews and protects both interior and exterior plastic surfaces. Its advanced formula is designed to restore original shine and colour while preventing fading, cracking, and deterioration.

Powered by Ceramic Technology, it creates an invisible UV-protective coating and adds repellent properties (against water, dust, etc.) for long-lasting results.

Dries to the touch in just a few minutes. Suitable for all colours.
